Please email completed form to: admin@solarblessing.com.au

The electrical items listed below and their estimated times of usage will form the building blocks of Solar Blessing's system design. To ensure your off- grid system is capable of meeting your needs effectively, it is important to include all current and planned electrical items, and to be as detailed as possible. Please don't worry if you don't have the details at this stage, as we will review this list before making any recommendations.

Appliance (Please be as detailed as possible)	Qty	Power Watts (W)	Your Estimated Usage				
			Days per week	Hours per Day (Summer)	Hours per Day (Winter)	Summer Energy (Wh/day)	Winter Energy (Wh/day)
2013 Fisher & Paykel Fridge (327 kWh/year)	1	373	7	24	24		
Dual Fuel Cooker (Electric oven/ gas cooktop)	1	3000	2	2	2		
KitchenAid Stand Mixer	1	325	3	1	1		
Laptop computer	1	500	7	2	1		
Downlights	10	9	Not sure	Not sure	Not sure
